

TARGET: LUNAR ASTRO (DEEPANSHU GIRI)

Classification: Consumer Fraud & SEO Manipulation
Status: ACTIVE EXPLOIT

>> DATA POINTS EXTRACTED

- Average Extracted Fee: ₹5,000+
- Time with Advertised Expert: 0 Minutes
- SEO Domains Identified: 3 (Domain Flooding)

>> EXECUTABLE 1: THE BAIT-AND-SWITCH

Target utilizes high-conversion YouTube/Google ads featuring Deepanshu Giri. Upon payment capture, target executes a switch protocol: clients are assigned to unnamed "proxy students."

Refund requests trigger a denial protocol or a maximum 50% return. Target blocks communication vectors post-complaint.

>> EXECUTABLE 2: SEO DOMAIN FLOODING

Target manipulates Google indexing to bury Trustpilot/ConsumerComplaints data.

```
Node 1: lunarastro.org (Brand)
Node 2: lunarastro.com (Portal)
Node 3: consultlunarastro.com (Funnel)
```

RESULT: Negative reviews pushed to Page 3+.

>> EXECUTABLE 3: DIGITAL INTIMIDATION

Proxy accounts (Satvik Saini, Ajay Rajan) deploy fake 5-star reviews. Negative reviewers are targeted with baseless "Cyber Cell" tracking threats to force deletion of evidence.
