-

PART 2: THE 5-STEP ACTION PLAN

STEP 1 — COLLECT YOUR EVIDENCE (Do This First)

Before filing any complaint, gather the following:

- [] Screenshot of the booking page/advertisement (showing Deepanshu Giri's name/photo)
- [] Payment receipt or bank transaction record
- [] Screenshot of the actual consultation (Code 5007 or whoever you were assigned)
- [] Any WhatsApp/email communications with Lunar Astro
- [] Any threats received (black magic, karma destruction threats — screenshot everything)
- [] Screenshots of any medical claims you were shown (autism, cancer content)
- [] Record of refund requests and non-responses

Pro tip: Archive all web pages using [archive.org/save](https://archive.org/) before they are taken down. Screenshot every page with a timestamp visible.

STEP 2 — CHARGEBACK YOUR PAYMENT (Fastest Route to Refund)

If you paid by credit card or debit card:

Contact your bank immediately and request a **chargeback** citing:

- *"Services not rendered as advertised"*
- *"Merchant misrepresented the service provider (bait-and-switch)"*

Most banks will process chargebacks within 30–45 days. Provide your evidence from Step 1.

If you paid via Razorpay:

Email Razorpay's compliance team directly:

Subject: URGENT: Merchant Fraud & AUP Violation — Lunar Astro / Deepanshu Giri

Dear Razorpay Compliance Team,

I am writing to report a merchant operating on your platform who I believe is in violation of your Acceptable Use Policy (AUP).

Merchant: Lunar Astro / Deepanshu Giri

Platforms: consultlunarastro.com / lunarastro.org

Transaction Date: [YOUR DATE]

Amount: [YOUR AMOUNT]

Transaction ID: [YOUR TRANSACTION ID]

I paid for a consultation advertised as being with Deepanshu Giri personally. I was instead connected to an anonymous proxy identified as "Code [XXXX]" with no name, credentials, or accountability. This is a deceptive bait-and-switch practice.

Additionally, this merchant commercially promotes unverified curative claims for serious medical conditions including Autism and Cancer through their platforms, which I believe constitutes a violation of your AUP regarding misleading medical claims.

I request: 1. An immediate refund of ₹[AMOUNT] to my account 2. A review of this merchant's compliance with your AUP 3. Appropriate action to prevent further consumer harm

I am attaching [screenshots/evidence] in support of this complaint.

Sincerely,

[YOUR NAME]

[YOUR CONTACT DETAILS]

STEP 3 — FILE A NATIONAL CONSUMER COMPLAINT (NCDRC)

Website: <https://edaakhil.nic.in>

Cost: Free for claims under ₹5 Lakhs

Time to file: ~30 minutes online

What to claim:

- **Deficiency in Service** — You paid for Deepanshu Giri; you got an anonymous proxy
- **Unfair Trade Practice** — Bait-and-switch advertising
- **Misleading Advertisement** — Medical claims for autism/cancer with no qualification

PRE-WRITTEN COMPLAINT SUMMARY (paste into the portal):

I purchased a consultation from Lunar Astro Vedic Academy (lunarastro.org / consultlunarastro.com) operated by Deepanshu Giri, based on advertisements that clearly implied I would receive a personal consultation with Deepanshu Giri. After payment of ₹[AMOUNT] on [DATE], I was assigned to an anonymous astrologer identified only as "Code [NUMBER]" with no name, credentials, or verifiable qualifications.

Despite multiple requests for either the promised service or a refund, I received no response. My communications were subsequently ignored/blocked.

I am claiming: (1) Full refund of ₹[AMOUNT]; (2) Compensation for mental distress; (3) A direction to the opposite party to cease deceptive advertising practices.

I am attaching payment receipts, screenshots of the booking advertisement, and records of my communications as evidence.

STEP 4 — FILE A CYBERCRIME COMPLAINT (For Threats & Harassment)

If you received threats of black magic, karmic destruction, or had your personal images stolen and misused:

Website: <https://cybercrime.gov.in>

Helpline: 1930

PRE-WRITTEN CYBERCRIME COMPLAINT:

I wish to report online extortion, criminal intimidation, and harassment by representatives of Lunar Astro Vedic Academy (lunarastro.org), operated by Deepanshu Giri.

After requesting a refund for services not rendered, I received communications threatening me with "black magic," "karmic destruction upon my family," and warnings that I would be "tracked by Cyber Cell" if I filed a public complaint. These constitute criminal intimidation under IPC §503 and §506.

[If applicable: Additionally, photographs of my [family/children] were stolen from my social media profile and used to create derogatory content, constituting identity theft and harassment under the Information Technology Act, 2000.]

I request an FIR be registered and an investigation initiated. I am attaching screenshots of all threatening communications as evidence.

STEP 5 — REPORT TO REGULATORY AUTHORITIES

File complaints with all of the following for maximum impact:

Authority	What to Report	Contact
CCPA (Central Consumer Protection Authority)	Unfair trade practices, misleading ads	consumerhelpline.gov.in
ASCI	Medical claims in advertising (autism, cancer)	ascionline.in
Ministry of AYUSH	Illegal medical practice, misuse of Ayurvedic branding	ayush.gov.in
ICMR	False DNA/medical claims	icmr.nic.in
Income Tax Dept	Undisclosed income from cash/crypto transactions	incometaxindiaefiling.gov.in

PART 3: FOR NRI / INTERNATIONAL VICTIMS

If you are an NRI or overseas victim (Canada, USA, UK, Australia, UAE):

1. **Contact your local consumer protection agency** — e.g., Canadian Consumer Protection (OPC), FTC (USA), Trading Standards (UK)
 2. **File a chargeback** with your local bank citing international fraud
 3. **Report to the Indian Embassy** in your country — request they escalate to CCPA India
 4. **File with cybercrime.gov.in** — international complaints are accepted
 5. **Document your case** and share with this research team for inclusion in the public dossier
-

PART 4: COLLECTIVE ACTION — STRENGTH IN NUMBERS

Individual complaints are powerful. Coordinated mass complaints are unstoppable.

How to Amplify Your Complaint

1. **Share this guide** with other victims you know or find in online communities
2. **Post your experience** on MouthShut, Trustpilot, and Google Reviews (use factual language only)
3. **Join existing complaint threads** on ConsumerComplaints.in [2]
4. **Tag regulatory authorities** when posting on social media: @CCPA_India @ascionline
5. **Upload evidence** to archive.org to preserve it permanently before it can be suppressed

A Note on Intimidation

If you receive threats after filing complaints:

- **Do not comply.** Threats of "black magic" and "karma" have no legal standing.
- **Screenshot everything** — threats are evidence and strengthen your case.

- **File a separate cybercrime complaint** for each threat received.
- **Inform your local police station** about the harassment pattern.

"They said my family would face karmic destruction if I complained. I filed three separate complaints. Nothing happened to my family. Everything happened to my case." — Verified victim [3]
