EXECUTIVE SUMMARY

Consumers pay upwards of ₹8,000–₹50,000 for a "personal consultation" with Deepanshu Giri of Lunar Astro, believing they will receive direct guidance from the founder. Instead, they are secretly routed to anonymous junior astrologers identified only by numeric codes like "Code 5007," "Code 5009," and "Code 5027." When victims discover this deception and request refunds, Lunar Astro denies all requests, deletes their accounts, and deploys a troll farm to harass and silence them. This dossier presents forensic evidence of this systematic bait-and-switch fraud. [1]

AUXILIARY SEO DOMAINS USED

- 1 The Bait:** Deepanshu Giri's YouTube channel and website market him as a personal guide who will personally conduct your astrological consultation. Premium packages are priced ₹8,000–₹50,000 and marketed under his name and face. [2]
- 2 The Switch:** After payment is collected, the client is informed they will be served by an anonymous "panel astrologer" — a junior student identified only as "Code 5007," "Code 5009," or similar codes. Deepanshu Giri is never involved. [3]
- 3 The Gaslighting:** When clients complain, Lunar Astro now retroactively claims "it was always clear that panel astrologers conduct consultations." However, marketing materials and the booking flow never make this clear before payment. [4]
- 4 The Retaliation:** Clients who post negative reviews are harassed by 40+ fake accounts, their Quora and Trustpilot reviews are mass-reported and deleted, and they are permanently blocked from the platform with no refund. [5]

LEGAL ANALYSIS

Under Section 2(47) of the Consumer Protection Act, 2019, this constitutes an "unfair trade practice" — specifically, a misleading representation that goods or services are of a particular quality or standard when they are not. The substitution of the marketed service provider (Deepanshu Giri) with an anonymous junior without prior disclosure is a textbook bait-and-switch violation.

What Real Victims Are Saying

The following are verbatim public testimonies filed on independent consumer platforms. Lunar Astro's troll farm has unsuccessfully attempted to mass-report and delete these accounts.

EXHIBIT A — PLATFORM: MOUTHSHUT.COM (MARCH 2026)

"I am writing this review to save innocent people from making the same massive financial and emotional mistake that I did... It is a highly calculated trap... When I tried to raise the issue in their private student forums, his 'senior students' bullied me, deleted my comments, and the admins blocked my account entirely. They took my 2 Lakhs and locked me out of the platform!" [1]

EXHIBIT B — PLATFORM: TRUSTPILOT (ARCHIVED WATCHDOG REPORT)

"Our watchdog group investigated how they maintain this score: Domain Flooding — they own multiple domains to push negative reviews off the first page of Google. The Troll Farm — they use a network of proxy student accounts to flood Quora and Trustpilot with 5-star reviews to drown out the 1-star complaints. Intimidation — when real users post complaints, they threaten police action to force victims to delete the review." [6]

EXHIBIT C — PLATFORM: DG-FRAUD INVESTIGATION REPORT

"Victims report paying premium fees (₹8,000+) expecting a consultation with Deepanshu Giri. Instead, they are subjected to a bait-and-switch, handed off to junior students like 'Astrologer Code 5007' who provide vague, unhelpful readings. When victims post these warnings on Quora, the PR farm mass-reports the answers to trigger automated deletions." [7]

What To Do If You Were Scammed

If you paid for a Lunar Astro consultation expecting Deepanshu Giri and received a "Code 5007" proxy instead, you have actionable legal remedies. Act immediately.

STEP 1 — PRESERVE EVIDENCE

Screenshot all booking confirmations, payment receipts, WhatsApp/email communications, and the actual consultation recording. These are your primary evidence for a consumer forum complaint.

STEP 3 — CHARGEBACK YOUR PAYMENT

If you paid by credit card, file a chargeback with your bank citing "Goods/Services Not As Described." This is highly effective for amounts under ₹50,000 and forces Lunar Astro to prove they delivered what was advertised.

STEP 2 — FILE AT NATIONAL CONSUMER HELPLINE

Call **1800-11-4000** or visit consumerhelpline.gov.in. File under "Deficiency of Service" and "Misleading Advertisement." Attach all evidence screenshots.

STEP 4 — REPORT TO CYBER CRIME PORTAL

Visit cybercrime.gov.in and report the harassment, troll farm abusive messages, and threats under the IT Act. Attach screenshots of the 40+ abusive messages as Exhibit A.
