THE ILLUSION OF EXCLUSIVITY

Deepanshu Giri markets his astrology courses as containing "secret, never-before-revealed" techniques passed down through a 7-generation lineage. Independent investigations and testimonies from former associates reveal a different reality: the core techniques are allegedly plagiarized from other established astrologers, rebranded, and sold at a massive premium. When students discover this and ask for refunds, they are locked out of the platform. [1]

The "Stolen Techniques" Controversy

Deepanshu Giri frequently claims to have "invented" or "decoded" ancient astrological techniques. However, fellow astrologers and former associates have publicly exposed him for taking proprietary techniques from other gurus and rebranding them to sell his courses.

EXHIBIT A: THE BCP THEFT

Stolen from Saptarishis Astrology

Public testimonies reveal that Deepanshu Giri studied under established astrologers, most notably Sunil John of Saptarishis Astrology. According to forensic reports and public call-outs, Giri allegedly stole Sunil John's proprietary "Bhrigu Chakra Paddhati" (BCP) technique, rebranded it, and used it as the foundation for his own premium courses. EXHIBIT B: THE PUBLIC CALL-OUT

Former Associates Speak Out

A direct public confrontation from a former associate states: "Dear deepanshu, before blaming anyone first your own karma what you did? You first did course on bcp, than used their platform to promote urself... You stole this bcp and created [your own course]." The troll farm actively works to bury these public call-outs. [3]

EXHIBIT C: STUDENT REALIZATION

Paying ₹50,000 for Free Information

"When I realized I had been ripped off and that the course material was copied, I emailed Lunar Astro's support team asking for a refund. Not only did they refuse to refund my money, but they also completely ghosted me... They took my 2 Lakhs and locked me out of the platform!" [1]

The Fabricated Backstory

To justify charging premium fees (₹25,000 to ₹2,00,000+) for astrology courses, Lunar Astro relies heavily on the marketing narrative that Deepanshu Giri possesses a "7-generation lineage" descending from Maharishi Bhrigu. OSINT (Open Source Intelligence) investigations reveal a completely different professional background.

THE MARKETING CLAIM	THE DOCUMENTED REALITY
"7-Generation Astrological Lineage"	He admits his father was an IIT engineer who stopped believing in astrology after being "fooled" by practitioners. [4]
"Lifelong Divine Calling"	Deepanshu Giri worked as an ROV Supervisor and freelance technician in underwater robotics—a high-risk, low-margin job. The pivot to astrology was a calculated business move. [4]
"Exclusive Decoded Secrets"	Techniques are heavily aggregated from other contemporary astrologers (like Sunil John) and repackaged behind a paywall. [3]
"Spiritual Academy"	Operates as a Single-Person Company (OPC) with a ₹14.9 Crore revenue discrepancy flagged in MCA filings. [2]

THE "METAVERSE" FINANCIAL ADVICE

Failed Predictions Sold as Expertise

In his courses and public statements, Giri positions himself as a master of financial astrology. Yet, in 2022, he publicly advised followers that "buying property in metaverse can make you lot of money" based on Rahu transits. [5] Students who followed this astrological financial advice lost their investments when the Metaverse real estate bubble completely collapsed.

If You Bought a Course

If you have purchased a Lunar Astro course and realized the material is aggregated, copied, or not as advertised, you have legal rights despite their "No Refund" policy.

STEP 1: THE CHARGEBACK

File for "Services Not As Described"

If you paid by credit card within the last 120 days, contact your bank immediately. State that the educational material was misrepresented and plagiarized, and that the merchant refused to honor a refund. Provide screenshots of the course material compared to free online sources.

STEP 2: DOCUMENT INTIMIDATION

Do Not Fear the "Karmic Curse"

When students ask for refunds, Lunar Astro admins frequently threaten them with "karmic destruction" or block them from the platform. If they threaten you, screenshot it. If they use proxy accounts to harass you, file a complaint at cybercrime.gov.in under IT Act Section 66D.

STEP 3: REPORT TO AUTHORITIES

National Consumer Helpline

File a formal complaint at consumerhelpline.gov.in. Cite "Deficiency in Service" and "Unfair Trade Practice" under the Consumer Protection Act, 2019. The more students who file, the faster a central investigation is triggered.
